Jeff, I really appreciate you. I also appreciate your service to our country. At Conexwest in Las Vegas we are going through a very critical building period in our business.

I don't think this is a good match. I am really sorry for this terrible news. It is my fault for not asking more questions initially.

If we ever get to the point where we can have our representatives become home based employees you will be my first choice.

I am very sorry to tell you this. Being present for all five days during the work week is mandatory for our success at this time in our business cycle. You are a great man. Sorry for this bad news.
